WORLD FOOD PROGRAMME INNOVATION FORUM

Innovating for Impact

 12
FEB
2026

Event Format	Hybrid: Full day programme in person <i>by invitation only</i> ; The Live Pitch Event in the evening is livestreamed online .
Participants	<p>This forum will convene a select group of senior leaders from the public, private, and philanthropic sectors. Among the participants we expect the <i>WFP Executive Director, Ms. Cindy McCain</i>, senior and high-level government officials, as well as leaders from the private and philanthropic sector.</p> <p>Their collective expertise and perspectives will help foster new collaborations and advance innovative solutions to today's most pressing humanitarian and development challenges. As a flagship event alongside the Munich Security Conference, the Forum provides a unique platform to accelerate progress toward Zero Hunger.</p>
Background & Event Objectives	<p>In a world increasingly shaped by conflict and crisis, food insecurity stands as one of our most urgent global challenges. <i>Innovation offers a powerful source of hope</i> - demonstrating that bold ideas and transformative solutions can help communities not only endure, but thrive.</p> <p><i>The 2026 WFP Innovation Forum: Innovating for Impact will highlight how innovation is already reshaping WFP's operations</i> - enabling us to reach more people, more efficiently and cost-effectively, through cutting-edge technologies and creative approaches. This year's Forum will showcase innovations that are driving real change on the ground, solutions with proven results and the capacity to scale, inspiring new partnerships and bold action for greater impact.</p> <p>Event Objectives:</p> <ul style="list-style-type: none"> ● Showcase Impact: Demonstrate how innovation is turning rapid humanitarian response into lasting resilience, strengthening food security, and supporting peaceful, stable communities. ● Inspire Action: Motivate stakeholders to accelerate investment, adoption, and scaling of innovative solutions for transformative impact. ● Foster Partnerships: Facilitate meaningful conversations and strategic collaborations among leaders, decision-makers, and innovators to unite efforts for greater impact.
<i>Full Day Programme</i>	
Introduction to WFP Innovation 10:30 - 12:00	To deepen participants' understanding of WFP Innovation, the morning will open with an introduction to the work of the WFP Global Accelerator and Ventures , followed by three forward-looking innovation snapshots

WFP Innovation Exhibition <i>Open from 16:00</i>	This year's interactive innovation exhibition, <i>Innovation Rooted in Humanity</i> , will be a vibrant showcase where human ingenuity confronts urgent global challenges . It will highlight pioneering solutions that are transforming WFP's work to fight hunger, build resilient food systems, and empower communities. Through stories of innovation in action - from cutting-edge digital tools to community-led initiatives - attendees will see how collaboration, creativity, and compassion are shaping a future where no one goes hungry.
Pitch Event <i>17:00 - 22:00</i>	<p>The Live Pitch Event will open with a panel featuring leaders from the public and private sectors, setting the scene with conversations on humanitarian innovation.</p> <p>At the heart of the Forum, 8 Live Pitches will showcase bold solutions redefining what is possible with innovation in action - from early warning systems and rapid response to resilient food systems, school meal platforms, smarter supply chains, and inclusive financial tools. Behind each pitch is a commitment to impact and resilience.</p> <p>Between the pitches, a fireside chat will bring together leaders and experts for a thought-provoking exchange, adding fresh perspectives to the discussion.</p> <p>The evening concludes with networking opportunities to connect with innovators, sector leaders, and changemakers, creating space for collaboration and partnerships that drive lasting impact.</p>
